### **GOLFER OF THE YEAR:**

This year, Golfer of the Year goes to a lady who returned as a new member to the club coming from FERNHILL GOLF CLUB. She played on Club teams and especially on the winning WEST CORK SHIELD team.

MARGARET O'MAHONY was on her heels earlier on in the year as was ORLA BUCKLEY in the latter part of the year.

But this lady was runner up in the CLUB CHAMPIONSHIP SINGLES which gave her 9 pts and sealed it for her with a great score of 37 pts.

**GOLFER of THE YEAR goes to CATHY MC GUINNESS.**

(Congratulations and well done Cathy)

I would like to wish ANNA and her incoming COMMITTEE which includes Helen O'Callaghan who is taking over the duties of HANDICAP SECRETARY all the very best for 2018.

I would like to thank you all for the courtesy extended during the past year – I was not always the harbinger of welcome news!!!!  
(I did not always have good news to deliver!!!!)

### **Juvenile Officer's Report - Thelma Strickland**

I took over as Juvenile Officer for this year.

I attended the ILGU conference on February 21st in Mallow. At this meeting ideas and suggestions were put forward and discussed to encourage younger players to take up the sport.

It is important to ensure that the learning process for juniors is made to be fun and interesting, as the older the girls get the ILGU have found that unless their peers are also participating they are more likely to give up.

We are very lucky in the Club to have Ian Stafford and Ger Broderick. They are both very interested in getting girls involved in golf from an early age, with Ger running summer camps and Ian introductory days. It is important that as members we encourage our daughters, nieces, grandchildren and their friends to take up the game of golf. Encourage them to attend Ger Broderick's summer camps.

Ian Stafford arranged an open day for junior girls on 27th May. The weather held for us and nine junior girls took part in the taster session. Afterwards, refreshments were given and the girls enjoyed the session. A €50.00 summer membership was offered to all junior girls who participated, sadly only one that took this offer up.

Lucy kept busy during the summer, she attended some cluster days, one in Cork Golf Club and one in Monkstown Golf Club and Bandon. She is a lovely golfer, and played in the weekly women's competitions and in the mixed with her Dad. It would be so nice if we could have a strong junior girls club and have company for Lucy. Please keep in mind to encourage all the young girls that you know to take this wonderful game up.

I wish the incoming Juvenile Officer every success for next year.

### **Lady Captain's Report - Colette Kenny**

I wish to thank Siobhan for asking me to be Lady Captain for 2017, It is a great honour to be asked and I will cherish the memories and enjoyment I got from what was a very busy year.

Thank you to my hard working committee.

Our Secretary Kay who always kept us on our toes, keeping order at the meeting and always efficient in getting her minutes out on time.

Competition secretary, Mary Crowley, extremely efficient in organising the diary and getting results published and setting up competitions. Her assistant Thelma was a great help to her.

Betty Hickey, Handicap Secretary had a very busy role sorting our handicaps for our new members.

Helena our treasurer, so efficient, always totally organised for our meetings with updates on our financial position.

Rosemary & Margaret Canty were fantastic social organisers starting with Christmas Party and finishing with a fab weekend away to Ballykisteen.

Catriona kept us up to date with the condition of the course.

Frances Robinson did very well buying prizes and looking after the Cope Foundation day.

Anna and Judy looked after the locker room which always looked beautiful.

Judy also collected, counted and lodged the money for Helena.

Anna, I was delighted when Anna agreed to be Lady Vice Captain. She has been a great support during the year.

A big thank you to Shane, Lisa and staff, Ger Broderick and staff at Pro Shop, Janice in the office, Pdraig and course staff, Management Committee, President John and Captain Chris.

I loved supporting the teams and thanks to team managers, Liz Creagh, Jeanne Madden, Anne Buckley, Evelyn Lambe, Frances Robinson, Siobhan Long, Mary Crowley, Betty Hickey, and of course Frances Power ably managed our victorious West Cork Shield Team.

Thanks to our sponsors who have been very generous again this year.

Our open days were well supported and thanks to everybody for inviting guests to the open days.

My Lady Captain's day was a great success. It was great to meet everybody who played in the 18 and 9 hole competition and who attended the prize giving.

Sandy Godkins won my prize.

And now to Friday night, thank you all so much for the beautiful chain, album, flowers, cards etc., what a great night. The meal was beautiful. The show was fantastic. My daughters, guests and I never laughed so much. What talent we have in our club. Well done to everybody.

Finally, I want to wish Anna and her committee all the best for the year ahead and to President Elect Vera Webb

I now invite Anna to come and accept the Lady Captain's Blazer and brooch for 2018 and then say a few words

Incoming Lady Captain - Anna Ward

Outgoing Lady Captain Colette, Incoming President Vera, fellow golfers.

I would like to praise Colette for all her hard work in the last year as Lady Captain. I would like to thank her for asking me to be her Vice Captain and also for helping me prepare for my Captaincy. I am really looking forward to working with my great Committee and hopefully we will have another successful year.

Looking forward to seeing you all tomorrow. Thanks ladies and safe home.

AOB

Nora Quinn advised she got injured while out on the course and was wondering why there wasn't a first aid kit in the ladies locker room. This is to be rectified straight away.

Ann Day thanked Colette for her great year as Lady Captain and welcomed Anna as new Lady Captain. She was enquiring if there were going to be cuts to handicaps of players of the WCS winning team. Was the LGUI going to cut them all 1 shot and was concerned for fairness of this. Paula Goggins says it is negotiable, she played on a winning team in 2015, she only played one game and didn't get cut. Betty Hickey advised we can appeal any cuts we are not happy with. Helen O' Callaghan wants clarification as to who is responsible going forward. Frances Power made the point that the WCS is not a ILGU competition. She advised that the Handicap Manager of ILGU decides whether players get cut or not.

Frances Power brought up about Club House opening hours and how they are a problem for her.

Closed far too early on weekdays. For example, closed at 4pm even in the height of season, even when it is bright until 10.30pm. and even when there are numerous cars in the car park. One day she counted 27 as the caterers were driving away.

Knock-on effect is that players cannot get even a cup of coffee and socialise with their playing partners after their game of golf. Golf is not just about the game --- it is also about belonging to a club.

She has been affected on numerous occasions by the club house being closed when she has finished her game of golf. Ollie and herself have frequented

"The Huntsman" many times where they often meet fellow golfers who were also dining there. They too complained about the club house being closed too early.

She feels that the caterers are only interested in the section of the day when the time sheet is busy. Once that group is catered for, they feel their work is done. They only do a 6 hour day.

They may argue that many players do not come to the club house at all. That is because members now don't expect to be able to get any food. There would be business if they made an effort.

Failing that, maybe a small reduced service of say tea/coffee/sandwiches/cake might work.

But we need a club house to be open at least as long as the pro shop opening hours.

Regarding the quality of food, I have heard many complaints. But her biggest complaint is the lack of a club house for my "apres golf".

Val McCann supported everything Frances Power said about the hours of services when food and drink are available to members of Kinsale Golf Club and said that closing at 4 p.m. was unacceptable during the summer months. She also spoke about the quality of the food and also the cost. We the members are paying for this and getting very poor value. The only overheads the caterers have to pay are insurance and paying for the actual food, everything else such as fridges, cups plates knives etc are paid for by the members of this club.

We are the Club. We subsidise everything else. It's a bad deal for us. It's very difficult for individual members to make an impact on Management so the Ladies Committee as our reps should raise these catering issues with the Management Committee on our behalf. One cannot bring a quest to the club because there is no food available after 4 p.m. during the summer months.

Colette advised that Management are dealing with the Caterers at the moment. Nora Quinn advised members to go to Club AGM on 28th November at 8pm and air their views in relation to these issues there.

Trish Hollywood said course changes were made without consultation with members. 18th green still not visible. Blue flags are very difficult to see, why were they not left the 3 colours. Colette advised that there was a plan for all members to see. Nora Quinn made the point that they had to get rid of the water on the 18th as you have to see where your ball goes.

Colette finished off the meeting by wishing Anna and Committee all the best for 2018.

Meeting ended at 9.00pm
