

Waiting List on the BRS System

Members can now place themselves on a waiting list for a tee time. If a tee time becomes available, the first member on the list will be automatically added to the tee time and will receive a confirmation email.

“The competition waiting list feature allows members to specify a preferred time range (start time, end time) that they would like to play. They will then be added to the waiting list. If a member cancels within their preferred time range and they are top of the waiting list with their request in this time range, then they will automatically be added to the competition and notified of the booking by email. Members may select one wait list time, and the wait list is for one hour after the selected tee time. “

To join the waiting list

If the time sheet is full for your requested time, click on the Waiting List button, above the timesheet, as seen below.
