## **Compliance of Golf Clubs with Irish Anti-Doping Rules**

Under Rule 40 of its Constitution, the Golfing Union of Ireland

---

*“Condemns the use of prohibited substances and methods, a practice generally known as doping, in sport. The anti-doping rules of the Golfing Union of Ireland are the Irish Anti-Doping Rules as amended from time to time”*

As part of its commitment in this regard, the Union recommends that its affiliated clubs include a requirement to abide by the Irish Anti-Doping Rules on their membership application/renewal forms as an understanding to be given by members.

In this regard, the union recommends that member applicants be asked to sign such forms underneath the following form of words, which should be inserted:

*“I agree to abide by the Irish Anti-Doping Rules”*
